tamil nadu has been playing its legitimate role in the inter government relationship on the tamil issues the magnitude of the state politics in the problems of sri lankan tamils has reached its zenith during the past one decade as a result of the eruption of ethnic violence in sri lanka since tamil polity has been fully dominated by ethnic political parts each one has been trying its level best to project itself as the vanguard of tamil nationalism this book traces the approaches of the political parties and especially ethnic political parties towards the sri lankan tamil issues it also analyses to what extent the pressure extended by the ethnic political parties has been taken into account in foreign policy making of indian government during different periods significantly this work touches a very important aspect that to what extent the support extended by the political parties to help themselves to establish firm roots in provincial polity this study sheds light on the ambiguous stand of the political parties in tamil nadu over this issue which ultimately has weakened the cause of the tamils and mislead the indian government which adopted a tough stand without heeding to the plea of the majority of the sri lankan tamils

this is tamil nadu s first human development report tamil nadu has fared very well in human development among the states in india it needs to be noted however that there are vast variations in the indicators of human development within the state itself factors

contributing to human development are disaggregated in this report and analysed at the district level this will enable readers to understand the regional disparities in tamil nadu and the reasons behind them the report not only puts within one cover all the various aspects of human development in tamil nadu but also seeks to explain why the state has fared well in certain areas and not in others it also highlights the policy interventions that will be required to correct the imbalances

the history of tamil nād u from the sixteenth century to the eighteenth is eventful with political developments which had far reaching consequences it was a significant period in which non tamil rulers ruled the country which ultimately led to the establishment of foreign rule the period commences with the appointment of the telugu speaking vijayanagar governors in the madurai thañjāvūr and señji regions the decline of the vijayanagar rule led to the rule of the marāthas in thañjāvūr and the mughals in the carnatic the invasion of the tamil country by the mughal general zulfikar khan made the tamil states tributaries of the mughals and established the rule of the carnatic nawabs this period witnessed the efforts of european powers to establish trade centres the war of succession between the two dynasties of the carnatic nawabs and the wars between the competitive trading countries the english and the french had their impact on the native powers which thereby became weakened by providing military and financial aid to native powers the british gradually took over their territories and expanded the madras presidency another notable feature is that the success in getting political power in the tamil country encouraged the british to acquire political power in north india using their base in the tamil country as a springboard native rulers military weakness and tendency to allow foreign powers to interfere in native politics and muhammad ali s total reliance on the english to control his subordinates and meet his financial needs necessitated by his extravagant

lifestyle were contributory factors which helped the english who came as traders become rulers of the country in this period resenting the interference and oppression of the british the poligars rose against them the poligar rebellion under pūli thēvar and kat t abomman and the south indian rebellion under marudu pān d yan are notable events of this period the political development in the tamil country in this period had serious repercussions on the political future of india since they provided the british with experience and resources for the expansion of their rule in the rest of india the year 1801 a d in which the madras presidency the biggest in the british india attained its total expansion is politically significant in the history of tamil nād u and india the rule of foreigners had its impact on the social life of the people and the economy of the country the advent of christian missionaries along with trading companies influenced the social life the exploitation of native resources by the foreign rulers and the constant wars among them shattered the economy in the midst of such turmoil the nāyaks and the marāthas contributed to the developments of arts and culture this book is a study of not only political events but also the contemporary social economic and religious conditions the nāyak architecture which is the last phase of the dravidian architecture along with the contributions of the marathas of thañjāvūr is highlighted besides its use to students and those who prepare for competitive examinations it is an interesting study to those who are interested in the history of tamil nād u for the proper understanding of the details presented maps and pictures are added at appropriate places
